Mayor's Report: Crystal made up a new format for the RITA report, per Mayor's request, which shows the previous year's amounts and fees. We applied for two grants last year. One was for the second phase of the Sewer Sanitary System. The second grant was for paving of roads. The sewer grant did not get approved, however, the paving grant did. The streets that will be covered under the grant will be Center Street from High Street, Center to the traffic signal, and then East Canal Street to Carroll-Eastern Road. Kenny George suggested we get a price to chip and seal some of the other streets done.
